ZURICH AGENT/BROKER COMPENSATION DISCLOSURE

Dear Policyholder:

On behalf of Zurich, we are glad you have chosen us as your insurance company. We look forward to meeting your insurance needs and want you to understand clearly our business relationship with the agent or broker you chose to represent your company's interests in the placement of insurance coverages.

As is the case with many insurance companies in the United States, Zurich distributes many of its insurance products through agents or brokers. This means that your agent or broker is not employed by Zurich and, in fact, may represent many insurance companies. Because we do not employ your agent or broker, the way they are compensated may vary. We recommend you discuss these arrangements with your agent or broker.

Like many other insurers, when Zurich compensates your agent or broker, they may receive two types of payments. The first type of compensation is known as "base commission," and the second is called "contingent compensation."

For an explanation of the nature and range of compensation Zurich may pay to your agent or broker in connection with your business, please go to <http://www.zurichna.com>. Alternatively, you may call (877) 347-6465 to obtain this type of information.

Thank you.
